**Report on international kidney day-2023 conducted in the college campus.**

On the occasion of International kidney day on 09/03/2023, we celebrated this day in our college campus too. This day used to mark on second Thursday of March every year since 2006. World kidney day (WKD), a joint initiative of the International Society of Nephrology (ISN) and the International Federation of Kidney Foundations (IFKF), is a global campaign that aims to raise awareness of the importance of our kidneys to overall health and to reduce the frequency and impact of kidney disease and its associated health problems. Every year, the campaign highlights a particular theme and this year the theme was 'Kidney Health for All – Preparing for the unexpected, supporting the vulnerable.

To commemorate this day, our institution took the initiation with the coordination of P.G department of Kayachikitsa. We arranged a three days medical camp from 09/03/2023 to 11/03/2023 and a seminar on Kidney disease from 2.30 pm to 4.00 pm on 09/03/2023. Prior to the medical camp we printed 500 numbers of pamphlets and distributed on 08/03/2023 in the villages of Nazarethpet, Agarmel, Mepur and Thirumazhisahi along with our college brochures. On 09/03/2023 at 9.30 am inaugurated the medical camp in our OPD block in the presence of Principal, vice principal cum medical superintendent, additional medical superintendent, Dr. Usha Patil (MC member), faculties of PG. department of Kayachikitsa and other teaching faculties of the institution. The first day of the camp was managed by Dr.Suwendu Rout, second day by Dr. Pradeep Kumar Moharana and third day by Dr. Vipin S.G. Total two numbers of patient consulted in the camp with their kidney issues. Both the patient advised to take the RFT and food restrictions. They were also intimated to inform their known people and relatives to take Ayurvedic treatment for kidney diseases.

On 09/03/2023 a seminar was conducted from 2.30 pm to 4.30 pm. Total 110 people were attended the program including faculties, PG scholars, interns and UG students. Inaugural session was with lightening the lamp, invocation, occupying the chair on the dais by the principal, vice principal, MC team and HOD PG department of Kayachitsa followed by Welcome address by Dr.Pradeep Kumar Moharana, Key note address by Dr. Suwendu Rout and the Presidential address by the Principal Dr. Chitta Ranjan Das. Total five scientific lecturer session were delivered by faculties and PG scholars. The first session delivered by Dr. Laxmi J on Applied anatomy and physiology of Kidney, second session by Dr. Karthika on Pathophysiology and laboratory investigation of kidney disease, third session by Dr. Apeeta S on management of Kidney disease, fourth session by Dr. Guru Prasad on Pathya Apathya for kidney disease and the last session by Dr. Muthunagi on case presentation of kidney disease. The program was ended with vote of thanks by Dr.Vipin S.G and National Anthem.
