

WORLD ENVIRONMENT DAY CELEBRATIONS 2022

On the account of World environment day-2022, on 06 June 2022 (Monday), the Department of Dravyaguna, Green cell and Hareetha batch-SJSACH, organized an event with the motto of "nature-the future".

Honoured Chief guests-**Dr.J. Bhaskaran**, Neurologist, **Mr.Kumaresan**, Jayanthi nursery, **Dr.V.Ramanathan**, Controller of examination, SCSVMV were invited for the occasion.

The event started with a benefaction to lord, with a prayer song by 2nd year students and lighting the lamp by Smt.Jayalakshmi, Smt.Janani, Dr.KP.Roshni, Dr.Usha Patil, and Dr.Amrutha.

The event proceeded with a welcome address by Dr.Nisha Raj, Associate professor, Department of Dravyaguna Vigyana and Green cell member-SJSACH.

The event proceeded with all the honorable members of the eve planting few tree saplings in the 'Kadhambavanam'- the botanical garden of SJSACH. Few plants were contributed by the Jayanthi Nursery and the Hareetha batch-SJSACH. More than 60 plants were planted in the garden.

Later, the members occupied the coliseum. The event progressed with presidential address by our Principal Dr.Chittaranjan Das sir and he emphasized the importance of environment day on the theme "Only One Earth", the motto of the theme is to create and adopt a lifestyle which should be pollution free and full of green land, focusing on peace, harmony, prosperity and health by saving the nature and life.

Later on Smt Jayalakshmi madam gave a brief introduction about Mr.Kumaresan and he has been felicitated by our principal further Mr.Kumaresan felicitated the delegates of the dias. He gave a valuable speech on plants and the society.

Further Mr.Sankara Narayanan sir, Administrative Officer, SJSACH gave a brief about the chief guest Dr.J.Bhaskaran and he was felicitated by Dr.V.Ramanathan after that Dr.J.Bhaskaran showered his valuable words on environment day and its significance. He spoke about protecting air water and soil. He also emphasized on how we gather assets for our children, same way we should protect the nature for future generations. This planet is our home and we need to save it for upcoming generations.

It was glad that the chief guest was pleased with the campus and the greenery around. The event pursued the end by the Vote of thanks by Dr.Deepak Raja Assistant professor, department of Kriya Sharira-SJSACH.

The organizers, the staffs of SJSACH, and the students of all professionals were engrossed by the precious talks by various honorable members.
